When do offers go out?

In 2020, offers will out via email on 1st June for age appropriate children for the following year. We give a 2 day window for response before moving on to the next person on the list to try to let people know as soon as we can that they are in.

In 2021, Staverton Kindergarten will offer five day full time positions to age appropriate children only. Children attending full time are placed in two classes across the week. The class is not a dedicated full time class.

Do you offer early placements?

Once all places have been offered to age appropriate children, we do offer early placements for children born between July and November/December of the following year. When offering early placements it does go by date of birth starting with those born in July.

When might I be offered an early placement?

Early placements are offered three weeks prior to the end of the school year. This year early placements will be offered during the week of 23rd November 2020. This timeline is set out in funding requirements from the Queensland Government.
